

What is the California E-Bike Incentive Project?

The California E-Bike Incentive Project provides point-of-sale incentive vouchers to help income-qualified Californians purchase a new electric bicycle (e-bike).

What is an e-bike incentive voucher?

An e-bike incentive voucher is an incentive for consumers to be applied as a point-of-sale discount when an eligible e-bike is purchased.

Who qualifies for an e-bike incentive voucher?

- CA Residents, 18+
- Qualifying household income at 300% of the Federal Poverty Level (FPL) or less
- Complete safety training

How can I get an e-bike incentive voucher?

Applications will be accepted through an online portal on a first-come, first-served basis. Applications will require residency and income verification.

What can I purchase with an incentive voucher?

Eligible e-bike, and Helmet, Lock, Reflective Clothing, Racks, Fenders, Mirror, Basket, Rear Light.

Any delivery fees, assembly fees, and sales tax associated with eligible purchases

How much are the vouchers worth?

- **\$1,750** - Base incentive voucher
- **+\$250** - Additional for priority applicants
- **\$2,000 - Maximum total amount**

Which e-bikes will be eligible?

General e-bike requirements:

- Class 1, 2, and 3 of e-bikes are eligible. (Classes are based on maximum speed limits and throttle functionality.)
- E-bike has operable pedals and an electric motor of less than or equal to 750 watts.
- Must be certified to conform to standards listed in UL 2849 and/or EN 15194.

Equipment and manufacturer requirements:

- Must have integrated front light.
- Must come equipped with rear light.
- Must be fully assembled.
- Must have a minimum one-year manufacturer warranty on all electrical components.

When can I purchase an e-bike?

You must receive an incentive voucher **PRIOR TO** purchasing your e-bike. Purchases made before receiving these will not be eligible for the incentive.
